To Whom It May Concern:

Marc Hall served as Webmaster for the Association of California School Administrators from October 1997 to August 2000. As staff in ACSA's media relations department, he provided critical support for a variety of programs and services the association offers.

Among his responsibilities, Mr. Hall managed and continually improved ACSA's website. He provided technology and internet training to staff and members in various settings, including ACSA conferences. In addition, Mr. Hall served as a staff liaison on various committees and authored numerous articles for ACSA publications.

Mr. Hall was an asset to ACSA as webmaster. I wish him well in his future endeavors.

Please direct inquiries regarding Mr. Hall's employment with ACSA to Stephanie Neff in ACSA's Human Resources Department at 916/329-3818.

Sincerely,

Julie White  
Media Relations Specialist
